University of Florida: College of Medicine: 29090000 - MD-PEDIATRICS: 29093000 - MD-PEDS-INFECTIOUS DISEASES

Location

Gainesville, FL

Open Date

Oct 8, 2020

Description

The Department of Pediatrics at the University of Florida is seeking a board-certified pediatrician at the Clinical Assistant/Associate/Full Professor level to pursue a non-tenure track career in the Division of Infectious Diseases. T. The rank for this position will be negotiable based upon qualification and experience. This is a full time position, however applicants desiring a part-time appointment will also be considered.

The Division of Pediatric Infectious Diseases provides outpatient and inpatient consultations at UF Health Shands Children's Hospital. This is a 208 bed quaternary-care academic pediatric center that serves a wide variety patients from North Central Florida through the panhandle. The Children's Hospital is ranked in the top-50 pediatric hospitals in the country in a variety of specialties in US News & World Report.

Patients are seen inpatient at the Children's Hospital and outpatient in a multispecialty clinic. Our complex patients include a large population of immune compromised children, including bone marrow transplant, solid organ transplant, primary immune deficiencies, and autoimmune diseases. The Division also provides telemedicine and outreach clinics for children living with HIV.

Gainesville is located in North Central Florida. The city is home to many wonderful restaurants, cultural events, and sporting events. North Central Florida provides opportunities for numerous outdoor activities including swimming or paddling in local springs and rivers, hiking, biking, and birding. Real estate is varied and affordable. Alachua County Public Schools are well ranked.

Qualifications

Applicants must have a M.D degree or equivalent and be licensed or eligible for licensure in the state of Florida in Pediatrics, and be board certified in General Pediatrics. Applicants should also have completed an accredited fellowship program in Pediatric Infectious Diseases, and be board certified/board eligible in Pediatric Infectious Disease.

Application Instructions

Apply here: <http://apply.interfolio.com/58925>

Applications should include a cover letter, curriculum vitae, and three letters of recommendation or contact information for three professional references.

The Search Committee will accept applications until the position is filled. Applications will be reviewed starting as soon as possible after the posting date.

This requisition has been reposted. Previous applicants are still under consideration and need not apply.

Selected candidate will be required to provide an official transcript to the hiring department upon hire. A transcript will not be considered "official" if a designation of "Issued to Student" is visible. Degrees earned from an education institution outside of the United States are required to be evaluated by a professional credentialing service provider approved by National Association of Credential Evaluation Services (NACES), which can be found at <http://naces.org/>.
