Baton Rouge is the capital of Louisiana and its second-largest city. Baton Rouge is home to Louisiana State University, Southern University and is a major industrial, petrochemical, medical, research, motion picture, and growing technology center of the American South. Baton Rouge enjoys a strong economy that has helped the city be ranked as one of the "Top 10 Places for Young Adults" by Portfolio Magazine and one of the top 20 cities in North America for economic strength by Brookings. Just an hour away from New Orleans, Baton Rouge is the perfect city to explore the eclectic culture of Louisiana; and the mild climate, lakes, and coastal access provides for plenty of outdoor activities as well. With a vibrant music and arts scene, a myriad of exciting shopping and dining options, and rich sense of history, Baton Rouge was named the 4th Happiest City in America and is a great place to work and live.
