

**Division of Pediatric Infectious Diseases
Goryeb Children's Hospital
Atlantic Health System
Morristown, New Jersey**

The Division of Pediatric Infectious Diseases at Goryeb Children's Hospital in Morristown, New Jersey is recruiting a board certified/board eligible pediatric infectious disease physician to join a dedicated team including two other experienced pediatric infectious diseases physicians and contribute to the expansion of our rapidly growing division. The candidate is expected to work collaboratively with physicians in pediatric inpatient, NICU, critical care units, the pediatric emergency department and subspecialty services. Primary responsibilities also include: outpatient sessions, teaching to pediatric residents and medical students and participating in community outreach, education and scientific programs. Participation in clinical outcomes and quality improvement research relevant to divisional activities is encouraged. Qualified candidates may be eligible for an academic appointment at Sidney Kimmel Medical College at Thomas Jefferson University.

Goryeb Children's Hospital is an 86,000 square foot facility at Morristown Medical Center (2020-21 USNWR #1 NJ Hospital) with facilities at Overlook Medical Center in Summit, NJ and 4 other subspecialty satellite locations. With over 250 pediatricians and 100 pediatric subspecialists from 22 different specialty areas, we offer comprehensive pediatric services. An independent pediatric residency training program exists with 38 residents, medical students on regular rotation, and status as a regional campus of the Sidney Kimmel Medical College at Thomas Jefferson University.

For the past 12 years, Atlantic Health System has been ranked by Fortune Magazine as one of the 100 best companies since to work for. It is the only health care system in NJ on the top 100 list and it is the top-ranked NJ based company on the list.

Physicians are part of Atlantic Medical Group, a physician-led and physician-governed organization that delivers the highest quality health care, at the right place, the right price, and the right time.
