Pediatric Infectious Diseases, Full-Time Position with RWJBarnabas Health in Northern, NJ

RWJBarnabas Health and The Department of Pediatrics at Saint Barnabas Medical Center and Children's Hospital of New Jersey at Newark Beth Israel Medical Center are seeking a board-certified Pediatric Infectious Diseases Specialist to join our team in Livingston and Newark, NJ, for a 100% Pediatric Infectious Diseases role (no general pediatrics work). This full-time position will focus on cultivating the continued development of our Pediatric Infectious Diseases team and will provide mentorship opportunities in addition to personal career growth.

As two of our teaching hospitals, Saint Barnabas Medical Center (597 bed facility), and Newark Beth Israel Medical Center (665 bed facility) provide opportunity for strong clinical collaboration as well as opportunities to teach and supervise residents and medical students. In addition to educational opportunities, this role will include clinical time in both the inpatient and outpatient settings, with most outpatient time dedicated to hospital follow-up visits.

Located in Northern NJ, part of Essex County, this is an ideal location to reside with easy access to NYC, beautiful suburban neighborhoods, diverse communities, and top-notch school districts -- plus access to museums, fine dining and great shopping!

More about this position:

- Complementary patient populations that include cases of wide variety of pathologies.
- Robust referral system and support staff
