

# PEDIATRIC INFECTIOUS DISEASE

Charlotte, NC

**Atrium Health**  
Levine Children's

The **Division of Pediatric Infectious Disease and Immunology** at **Atrium Health Levine Children's Hospital** is seeking a pediatric infectious disease physician to join their faculty. Candidates must be a MD, MD/PhD, or equivalent and Board Eligible / Board Certified in Pediatric Infectious Disease.

The Division includes four academic clinicians who have established programs in antimicrobial stewardship, infection prevention, telemedicine, and global health. Current areas of research include congenital/neonatal infections, vaccinations, tuberculosis, antimicrobial stewardship, and transplant infectious disease.

#### **Clinical and educational responsibilities include:**

- Clinical care in inpatient and ambulatory settings
- Education of residents and medical students

#### **Academic and administrative opportunities include:**

- Participation in research or quality improvement.
- Further growth of an existing program, including outpatient antimicrobial therapy, telemedicine, or infection prevention.

At 236 beds, Levine Children's Hospital (LCH) is the largest children's hospital between Atlanta and Washington DC. It serves high patient acuity and offers 150 pediatric subspecialists in over 30 pediatric specialties. Our educational mission includes training highly competitive pediatric residents and participating in medical student education. We offer an excellent environment for clinical research and quality improvement work. LCH is repeatedly ranked among the Best Children's Hospitals in the nation by *US News & World Report*, most recently in eight pediatric specialties for 2020-2021.

**Atrium Health**, one of the nation's leading and most innovative healthcare organizations, provides a full spectrum of healthcare throughout North and South Carolina and Georgia. Atrium Health has over 3,000 system-employed providers and more than 60,000 employees, operating 45 acute care and specialty hospitals.

#### **Life is good in the Carolinas.**

Ideally situated between mountains and beaches, Charlotte has a metropolitan population of 2.4 million that continues to grow. Charlotte is the United States' second largest banking center and has a full array of cultural activities and professional sports events. Charlotte offers excellent public and private school options, and North Carolina is home to several world-class universities.
