

PROFESSOR, ASSOCIATE OR ASSISTANT PROFESSOR – Pediatric Infectious Diseases and Antimicrobial Stewardship, Infection Prevention and Control, Orthopedic Infections

The **Department of Pediatrics** is seeking an outstanding individual to join the Pediatric Infectious Disease Division at the **University of Texas Southwestern Medical Center**.

Candidates should have formal training and/or equivalent experience in the field of Pediatric Infectious Disease. A substantial portion of this position will be dedicated to one or more of the following activities: oversight of the antimicrobial stewardship program in one of the largest children's hospitals in the country; assisting in Infection Prevention and Control activities and/or; leadership of both inpatient and outpatient activities at an affiliated pediatric orthopedic hospital. Background and experience in these roles is highly desirable but not essential. Other clinical responsibilities will include in-patient and ambulatory management of pediatric infectious diseases and multidisciplinary integration with transplant (stem cell and solid organ) and oncology services. UTSW offers outstanding collaborative research opportunities with investigators in clinical, translational, and bench research environments. Candidates must have strong clinical skills and demonstrated teaching abilities in Pediatric Infectious Disease in addition to excellent interpersonal skills.

Clinical activities of the division, both in-patient and out-patient, are conducted at Children's Medical Center Dallas, a 487-bed hospital that is the only academic health care facility in North Texas dedicated exclusively to the comprehensive care of children. Candidates must be board-certified in Pediatrics and eligible for licensure in the state of Texas, as well as being board-certified/eligible in Pediatric Infectious Disease. Appointment rank will be commensurate with academic accomplishments and experience. Consideration may be given to applicants seeking less than a full-time schedule.

Potential applicants should forward a curriculum vitae to: Jeffrey Kahn, M.D., Ph.D., Division of Pediatric Infectious Disease, Department of Pediatrics, University of Texas Southwestern Medical Center, 5323 Harry Hines Blvd., Dallas, TX, 75390-9063. (Jeffrey.Kahn@UTSouthwestern.edu)
