

Company: Southern California Permanente Medical Group  
Job Title: Pediatric Infectious Disease Physician

Brief description of the position: Every physician who is part of the Southern California Permanente Medical Group shares a passion for advancing the practice of medicine. We fuel that passion by creating a culture of innovation and collaboration—one where the quality of care we deliver is elevated by the accelerated resources we provide.

#### PEDIATRIC INFECTIOUS DISEASE PHYSICIAN

Opening in Downey, California

Join an established Pediatric Infectious Disease clinical practice comprised of inpatient consultations/rounding, ambulatory clinic, and virtual care. We are recruiting for a full-time clinical pediatric ID presence, based at the Downey Medical Center, with additional clinic at Kaiser Permanente South Bay one-half day per week, and potentially other future nearby medical center coverage.

Potential clinical roles include:

- Inpatient consultation and rounding
- Outpatient consultation and follow-up care
- Physician-physician advice via telephone and electronic advice communication tools
- Consultation to hospital committees as needed
- Shared on-call responsibilities with other Kaiser Permanente pediatric ID physicians
- Opportunity for mentorship and clinical teaching of Kaiser Permanente School of Medicine students.

Our Downey Medical Center has a children's hospital designation by the Children's Hospital Association with an integral role in caring for the Kaiser Permanente Southern California population which currently spans 4.7 million members and over 1 million pediatric members. At Downey, we serve as the primary center of care for the uniquely diverse pediatric population of the Southeast Los Angeles County area. And as one of three tertiary pediatric medical centers in the Kaiser Permanente Care network, we also have the privilege to provide pediatric intensive care and related complex pediatric subspecialty and surgical needs to a broader area extending from the Gateway Cities, to South Bay, Orange County, and parts of the San Gabriel Valley. Our Medical Center has a full span of highly collaborative pediatric medical and surgical subspecialties as well as a pediatric hospitalist service, level 3 NICU, PICU, and emergency department. Downey is also a designated clerkship site for the new Kaiser Permanente Bernard J. Tyson School of Medicine.

If you believe in pursuing dreams, creating hope, and driving progress, then you're the very definition of a Permanente Physician.
