

Company: University of Miami / Jackson Health System Salary range:
Job Title: Pediatric Infectious Disease Fellow PGY4 - July 2022

Brief description of the position: Pediatric Infectious Disease Fellow (PGY-4) – July 2022

The University of Miami Pediatric Infectious Disease Fellowship Program is seeking a first year Pediatric Infectious Disease Fellow to begin fellowship on July 1, 2022. The fellowship is funded by the Holtz Children's Hospital/ Jackson Health System and is accredited by the Council for Graduate Medical Education of the American Medical Association, and the Sub-Board of Pediatric Infectious Disease. The fellowship training program provides a unique blend of clinical experiences and research opportunities. We offer training in the management of general Pediatric Infectious Disease, including, but not limited to, bacterial/fungal/viral sepsis; osteomyelitis and pneumonia, as well as specified care for solid organ and hematopoietic stem cell transplant recipients and children with HIV. Areas of interest for our fellows include: tropical medicine course, antimicrobial stewardship, global health, HIV, public health, transportation and vaccination. The selected applicant will join a talented group of physicians including clinicians, researchers and educators at the University of Miami Miller School of Medicine in Miami, FL. Jackson Memorial/ Holtz Children's Hospital Pediatric Infectious Disease physicians treat all infectious diseases, allergies, and immune disorders in babies, children and adolescents with an emphasis on: Infections in the immunocompromised host, Evaluation of children with fevers of unknown origin, Congenital infections, and Care and treatment of children with both primary and acquired immune deficiencies, including HIV infection and Primary Immunodeficiency Disorder. If you qualify for a PGY-4 position and are interested, please e-mail your CV to Christopher Garcia, Pediatric Senior Fellowship Program Coordinator, at ceg157@med.miami.edu. For more information, phone us at 305-243-2575.

Interested candidates should email the following:

- A cover letter explaining your interest in this position and, if applicable, the reason for leaving your current residency program
- Curriculum Vitae
