

Company: Valley Children's Healthcare
Job Title: Pediatric Infectious Diseases Physician

Brief description of the position: Ranked again as one of the nation's Best Children's Hospitals in seven specialties by U.S. News & World Report in 2021-2022 and recognized in 2019 and 2020 as one of the nation's top 10 children's hospitals in patient safety and quality by The Leapfrog Group, we're seeking a physician who is Board Eligible or Board Certified in Pediatric Infectious Diseases to join the team at Valley Children's Healthcare, one of the largest pediatric healthcare networks in the country. The Infectious Disease Practice at Valley Children's provides inpatient and outpatient evaluation and management of children with suspected or proven infectious diseases. The successful candidate will join the current team of four physicians at the main campus in Madera, California.

At Valley Children's main campus, you'll enjoy working at this state-of-the-art, free-standing children's hospital with 358 regional beds. The setting is a 50-acre campus on the bluffs of the San Joaquin River with the majestic Sierra Nevada Mountains in the background. With a vast 12-county, 145,000 square-mile service area, Valley Children's provides Central California's only high-quality, comprehensive care to over 1.3 million children, from before birth to age 21, with more than 650 physicians and 3,500 staff. Valley Children's also has Pediatric Residency and fellowship programs in affiliation with Stanford University School of Medicine.

Valley Children's network spans one of the most scenic and geographically diverse areas of the United States. It's an outdoor lover's paradise! You'll be in the enviable position of having not one, but three National Parks in your backyard: Yosemite, Kings Canyon and Sequoia. The area is within one to three hours of the stunning Pacific coast, the Napa and Sonoma wine regions and the majestic Sierra Nevada Mountains, plus the San Francisco, San Jose and Los Angeles metropolitan areas. Lake Tahoe is about a four-hour drive away. Whether you prefer the snow, the sun or the sand, it's all within your reach. And with so much varied geography, you'll also find hiking and biking trails, kayaking, fishing, local wineries, farm stands and festivals, gourmet cuisine, and so much more.

Another perk: The area is very affordable, and it boasts award-winning schools, making it the perfect choice for families.

A Magnet-designated facility, Valley Children's offers an excellent support staff along with a busy, growing practice and a highly competitive compensation package, including signing bonus and relocation.

Qualifications you are seeking: Board Certified/Board Eligible in Pediatric Infectious Diseases Board Certified in Pediatrics Current California medical license or eligible to obtain licensure
