

Company: University of Illinois College of Medicine at Peoria

Job Title: Assistant/Associate/Professor of Clinical Pediatrics-Infectious Disease

Brief description of the position: This is a faculty position, as such requires providing clinical care, teaching medical students and residents, research, and scholarly activities. We offer the medical sophistication of a major referral center and cultural diversity in a family-oriented community without big city hassles or cost of living.

Qualifications you are seeking: The Department of Pediatrics of the University of Illinois College of Medicine Peoria (UICOMP) seeks Infectious Disease candidates for a position as Assistant/Associate/Professor of Clinical Pediatrics, depending upon experience.

The candidate must hold an MD/DO degree or equivalent, be BC/BE in Pediatrics along with BC/BE in Pediatric Infectious Diseases and will hold or are eligible for an Illinois physician license.
