

Company: The Permanente Medical Group, Inc. (Kaiser Permanente Northern California)

Job Title: Pediatric Infectious Diseases Opportunity with Kaiser Permanente in Northern California

Brief description of the position: Leading the future of health care

Kaiser Permanente / The Permanente Medical Group

The Permanente Medical Group, Inc. (TPMG - Kaiser Permanente Northern California) is one of the largest multispecialty medical groups in the nation with over 9,000 physicians, 22 medical centers, numerous clinics throughout Northern and Central California and a 75-year tradition of providing quality medical care. We partner exclusively with Kaiser Permanente Health Plan to provide comprehensive care to a diverse population of 4 million members in a fully integrated health care setting.

PEDIATRIC INFECTIOUS DISEASES PHYSICIAN

Opening in Roseville, California

The successful applicant will join a Pediatric Specialty group of pediatric medical and surgical specialists numbering nearly 60 in the Sacramento/Central Valley alone, with additional TPMG Pediatric Specialists in Santa Clara/Silicon Valley, and the Central Bay Area. Our Roseville Pediatric Specialty Group includes Adolescent Medicine, Anesthesia, Behavior and Development, Cardiology, Critical Care, Endocrinology, Gastroenterology, Hematology-Oncology, Hospital Medicine, Infectious Diseases, Neonatology, Nephrology, Neurology, Neurosurgery, Ophthalmology, Orthopedics, Otolaryngology, Pulmonology, Rheumatology, Physical Medicine and Rehabilitation, Surgery, and Urology.

We regularly interact with medical students from University California Davis, and we have visiting medical students from all around the country. We also participate in twice monthly case conferences with the Pediatric ID team at UC Davis.

The Sacramento/Central Valley is a beautiful place to live with easy access to the Pacific Ocean, San Francisco Bay, the Coastal and Sierra Nevada mountains, Yosemite, Lake Tahoe, Napa Valley, and the California Central Valley.

A FEW REASONS TO CONSIDER A PRACTICE WITH TPMG:

- Work-life balance focused practice, including flexible schedules and unmatched practice support.
- We can focus on providing excellent patient care without managing overhead and billing.
- We demonstrate our commitment to a culture of equity, inclusion, and diversity by hiring physicians that reflect and celebrate the diversity of people and cultures. We practice in an environment with patients at the center and deliver culturally responsive and compassionate care to our member populations.
- Collaboration amongst primary and specialty care with a mission-driven integrated health care delivery model.
- An outstanding electronic medical record system that allows flexibility in patient management.

- We have a very rich and comprehensive Physician Health & Wellness Program.
- We are Physician-led and develop our own leaders.
- Professional development opportunities in teaching, research, mentorship, physician leadership, and community service.

EXTRAORDINARY BENEFITS:

- Competitive compensation and benefits package, including comprehensive medical and dental
- Moving allowance and home loan assistance - up to \$200,000 (approval required)
- Paid holidays, sick leave, education leave
- Shareholder track
- Three retirement plans, including pension
