

Company: BCHP

Job Title: Pediatric Infectious Disease Physician

Brief description of the position: The Division of Pediatric Infectious Diseases at Boston Children's Health Physicians (BCHP) in Westchester County, New York is seeking a Board Certified/Board Eligible Pediatric Infectious Diseases Specialist to join our growing practice as a new full-time faculty member. Our Division provides outpatient consultations to pediatric patients from a large catchment area which includes the lower Hudson Valley, Southern Connecticut and Northern New Jersey. We provide inpatient consultations and oversee antimicrobial stewardship and infection prevention and control at Maria Fareri Children's Hospital at Westchester Medical Center. We also provide inpatient telehealth consultations to an expanding network of hospitals. Maria Fareri Children's Hospital has a large pediatric residency program and is the primary pediatric site for New York Medical College students, additional responsibilities include teaching residents and medical students. A commitment to research, clinical and/or laboratory is desired. The successful candidate will receive faculty appointment at New York Medical College.

Candidates should submit a cover letter, curriculum vitae, and contact information for at least 3 references to Sheila Nolan at sheila_nolan@bchphysicians.org.
