

## **Job Post – Pediatric Infectious Disease Specialist, Renown Health Children’s Hospital**

Company: Renown Health Children's Hospital

Salary range: Competitive

Job Title: Pediatric Infectious Disease Specialist

Organization Type: Non-Profit Organization

Job posting expiration date: 7/1/2023

Brief description of the position: Pediatric Infectious Disease – Beautiful Reno/Lake Tahoe

Renown Health is northern Nevada’s largest and only locally owned, not-for-profit integrated health network committed to meeting the health and wellness needs of our growing community and serving the surrounding Lake Tahoe and northeast California regions.

We are seeking a BE/BC Pediatric Infectious Disease Physician to join our dynamic, physician-led multi-specialty medical group as a member of our experienced pediatrics team. You can expect a highly supportive leadership team committed to providing resources to keep patients as the center focus of care. Additionally, we are excited to announce our newly-established Pediatric Residency Program through University of Nevada, Reno School of Medicine.

### Position Details:

Area’s only PICU Formal Academic Affiliation with University of Nevada, Reno School Medicine/Renown Competitive Salary 401k with Match CME Allowance, Board Certification covered Health Benefits, employer-paid Short Term Disability 7 weeks Annual Leave bank - all inclusive Paid Malpractice with 100% Tail coverage Starting bonus inclusive of Relocation Assistance Qualifying entity for Federal Loan Forgiveness Program as 501(c)(3) NO STATE INCOME TAX

Nothing beats living in the Reno-Tahoe region. Our area holds a favorable quality of life from Reno itself to the shores of beautiful Lake Tahoe. With over 300 days of sunshine annually, endless activities, diverse culinary scene, and family friendly community, it is easy to understand why so many people choose to live, explore and play in the natural beauty of our region. Nestled at the base of the Sierra Nevada, Reno is a quick drive to Lake Tahoe, Sacramento, Napa Valley or San Francisco.

Qualifications you are seeking: Board Eligible or Board Certified Pediatric Infectious Disease Physician. Ability to obtain current State of Nevada Medical Licensure (MD or DO), State of Nevada Pharmacy license to prescribe controlled substances, and possess current DEA licensure. BLS and PALS Certifications at time of hire.
