

**Job Posting (Telemedicine) – Part Time and Full-Time Pediatric Infectious Diseases Telemedicine Faculty Positions**

Due to the growth of the Pediatric Tele-Infectious Diseases program in the Division of Pediatric Infectious Diseases at the Children's Hospital of Pittsburgh, UPMC, outstanding practice opportunities for full-time or part-time pediatric ID physicians are now available.

These unique positions are primarily for inpatient Tele-ID consultative services across multiple healthcare facilities. Rounding time on traditional inpatient services at UPMC and resident/fellow teaching are available although not required.

Distinct advantages of the positions include working from home including remote (out of state) residence, along with competitive compensation and benefits. All positions come with faculty appointments in the widely-recognized UPMC Pediatric ID Division (rank commensurate with experience) and employment by the University of Pittsburgh Physicians.

Candidates should be board certified or eligible in Pediatric Infectious Diseases. Please submit CV, cover letter, and three references via email or US mail to:
