# 25<sup>th</sup> Annual Pediatric Infectious Diseases Update

## Overview

This conference on pediatric infectious diseases will cover topics of interest to pediatricians, family physicians, and other primary care providers for children and young adults. Speakers cover the most recent information on diagnosis, management, and prevention of infections in pediatrics. Discussion of controversial issues and questions follow each presentation. This conference is designed for pediatricians, family physicians, and other primary care providers for children and young adults.

## Objectives

Following the presentations, attendees should be able to:

- Discuss factors contributing to Group A *Streptococcus*.
- Discuss newest evidence, best practices and guidelines in the diagnosis and management of Herpes Simplex Virus.
- Discuss best practices in the evaluation of infectious diseases in recent immigrants and refugees.
- Demonstrate knowledge related to indications and pharmacokinetics of common antibiotics.
- Discuss recent ACIP recommendations.
- Describe diagnosis and management of common pediatric infections and medications.

## Continuing Education Credit

Children's Hospital Colorado is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Children's Hospital Colorado designates this Live activity for a maximum of 8.0 AMA PRA Category 1 Credit(s).™ Physicians should only claim credit commensurate with the extent of their participation in the activity.

**ABP MOC Part 2:** Successful completion of this CME activity, which includes participation in the activity, and individual assessment of and feedback to the learner, enables the learner to earn up to 7.5 MOC points in the American Board of Pediatrics' (ABP) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABP MOC credit.

\*Instructions on completing online self-assessment tests will be provided to registrants by e-mail before and after the conference.
