

Job Post – Pediatric Infectious Disease Physician, Johns Hopkins All Children’s Hospital

Company: Johns Hopkins All Children's Hospital

Salary range:

Job Title: Pediatric ID in St. Petersburg, Florida

Organization Type: Non-Profit Organization

Job posting expiration date: 5/1/2024

Brief description of the position: The Division of Infectious Diseases at Johns Hopkins All Children’s Hospital (JHACH) in St. Petersburg, Florida is recruiting an additional pediatric ID physician. The pediatric infectious diseases specialists at JHACH provide expert care for children of all ages and treat a wide range of viral, bacterial, fungal, and parasitic illnesses. Our pediatric ID team provides the full gamut of care for children with complex and rare infections (excluding HIV). JHACH has a robust transplant program and a 97-bed, level IV NICU. The position entails providing clinical care for the pediatric patient population in primarily an inpatient setting.

Johns Hopkins All Children’s Hospital is a 259-bed teaching hospital, ranked as a U.S. News & World Report Best Children’s Hospital in 7 pediatric specialties (2023-2024) and the #1 Children’s Hospital in Florida. We are the only US hospital outside the Baltimore/Washington, D.C. location that is part of the Johns Hopkins Medicine system.

Tampa-St. Petersburg is a premier place to work and live, offering year-round sunshine, abundant cultural and recreational activities, sports venues, and excellent schools. JHACH is centrally located to many of Florida's amenities, only minutes from the beautiful Gulf beaches, two hours from Orlando, and four hours from Miami.

Qualifications you are seeking: Candidates will be board certified/eligible in pediatric infectious diseases and have excellent clinical/interpersonal skills, be team oriented, and embrace educational innovation. Our pediatric ID physicians are actively involved in teaching residents of the JHACH and University of South Florida residency programs. There are many opportunities and support to develop clinical, educational, and research interests. Qualified candidates may be eligible for an academic appointment at Johns Hopkins University School of Medicine (academic rank is open and commensurate with experience).
