

## **Job Post – Pediatric Infectious Disease Physician, Southern California Permanente Medical Group**

Company: Southern California Permanente Medical Group

Salary range: \$249,531.00 - \$340,011.00

Job Title: PEDIATRIC INFECTIOUS DISEASE PHYSICIAN

Organization Type: Non-Profit Organization

Job posting expiration date: 2024-06-01

Brief description of the position: I am a PERMANENTE PHYSICIAN.

A skilled practitioner who seeks to create high-quality outcomes through integrated care.

Every physician who is part of the Southern California Permanente Medical Group shares a passion for advancing the practice of medicine. We fuel that passion by creating a culture of innovation and collaboration—one where the quality of care we deliver is elevated by the accelerated resources we provide.

PEDIATRIC INFECTIOUS DISEASE PHYSICIAN

Full-Time Opening in Orange County, California

Opportunity to join an established pediatric Infectious Disease clinical practice comprised of inpatient consultations/rounding, ambulatory clinic, antibiotic stewardship, infection control, and virtual medicine. We are recruiting a full-time Pediatric Infectious Disease specialist to join our group in Orange County (OC). KP Anaheim Medical Center is a designated specialty medical center in the Kaiser Permanente Pediatric care (KPPC) network. At OC, we serve as the primary center of care for the diverse pediatric population in Orange County. Our services include a pediatric ward at the Anaheim hospital and NICUs, well child nurseries, and emergency departments at our Anaheim and Irvine hospitals. We place great emphasis on fostering a strong culture of collaboration and support among pediatric medical and surgical specialties not only within OC but also across the KP Southern California region.

In this position, the OC Pediatric ID physician will work collaboratively with our Pediatric ID physician at our Downey Medical Center. The Downey Medical Center is one of three tertiary medical centers in the KPPC network with PICUs. Our medical group utilizes telemedicine and our regional electronic medical record when appropriate so that specialists can work from their home facility while supporting the regional patient population when on-call.

We play an active role in training the next generation of physicians both in teaching resident physicians and as a designated clerkship site for the Kaiser Permanente Bernard J. Tyson School of Medicine. We also have a robust research infrastructure within KP Southern California with opportunities for internal research grants.

Potential clinical roles include:

- Outpatient consultation and follow-up care
- Inpatient consultation and rounding

- Infection control/prevention, antibiotic stewardship
- Providing virtual medical care
- Physician-physician advice via telephone and electronic advice communication tools
- Shared call schedule with other KP pediatric ID physicians
- Opportunity for mentorship and clinical teaching of KP School of Medicine students and Pediatric Residents.
- Regional pandemic planning, electronic medical record (EPIC) based ID decision support tool design, regional reference lab/microbiology.
- Participation in regional ID conferences sharing best practices, challenging patient discussions, amongst other regional initiatives.

Qualifications you are seeking: SCPMG is proud to offer its physicians:

- An organization that has served the communities of Southern California for more than 70 years
- A physician-led, physician-owned, and physician-operated practice that equally emphasizes professional autonomy and cross-specialty collaboration
- Comprehensive administrative support
- An environment that promotes excellent service to patients
- A fully implemented electronic medical record system
- An excellent salary, comprehensive benefits, and partnership eligibility after 3 years

Pay range for full-time openings is \$249,531.00 - \$340,011.00. Minimum salaries are inclusive of premium pay and incentives depending on skills and competencies and geographic location. Annual Salary will be based on longevity with the Group and FTE work schedule/effort.
