

Job Post – Assistant, Associate, or Full Professor Faculty, Albert Einstein College of Medicine/Children’s Hospital at Montefiore

Company: Albert Einstein College of Medicine/Children's Hospital at Montefiore

Salary range: Depends on level and experience

Job Title: Faculty

Organization Type: Non-Profit Organization

Job posting expiration date: 07-01-2025

Brief description of the position: The Division of Pediatric Infectious Diseases at Albert Einstein College of Medicine and the Children's Hospital at Montefiore (CHAM) is recruiting for 2 new faculty members to expand our Infection Control and Epidemiology, stewardship and research. Details will depend on the applicant's interests, experiences and career goals. The CHAM is the only hospital in the Bronx, NY dedicated specifically to children and provides primary and tertiary care serving a diverse patient population.

Qualifications you are seeking: The position is open to potential faculty at all levels (Assistant, Associate or full Professor) seeking an opportunity to serve this diverse community.

Experience and interest in developing a research program in any area (epidemiology, quality, stewardship, clinical trials, translational and bench research) will be prioritized.

Potential for J-1 Waiver eligibility: Yes
