

## **Job Post – Pediatric Infectious Disease Physician, East Tennessee Children’s Hospital**

Company: East Tennessee Children's Hospital

Salary range:

Job Title: Pediatric Infectious Disease Physician

Organization Type: Non-Profit Organization

Job posting expiration date: 2024-12-31

Brief description of the position: This is an opportunity to join a busy, established practice, focused on expert care for children of all ages, providing inpatient and outpatient consultations and follow up. This is a clinically dedicated position and will include infection prevention, antibiotic stewardship, hospital epidemiology and related quality duties. We also provide pediatric ID coverage nearby at The University of Tennessee Medical Center with teaching opportunities for rotating students and trainees. We maintain close, collaborative relationships with local and state public health authorities. Successful candidates will have a proven clinical history of the diagnosis and treatment of infectious diseases, providing consultations, lab interpretations, developing treatment plans, and patient/family education. The ideal candidate will be expected to have strong clinical and communication skills. There will be shared weekday, weekend, and holiday emergent/after-hours call coverage.

Qualifications you are seeking: The successful candidate will be board eligible/certified in Pediatric Infectious Disease, with enthusiasm, strong clinical and interpersonal skills, and a desire to continue our tradition of high-quality care.

Potential for J-1 Waiver eligibility: Yes
