

Job Post – Pediatric Infectious Disease Physician, Children’s Nebraska

Company: Children's Nebraska

Salary range:

Job Title: Pediatric Infectious Disease Physician

Organization Type: Non-Profit Organization

Job posting expiration date: 2024-07-31

Brief description of the position: Children’s Nebraska, with the University of Nebraska Medical Center, is currently recruiting a Pediatric Infectious Disease physician. The Division of Pediatric Infectious Diseases at UNMC includes an 11 faculty member team who split the general PID and a transplant/immunocompromised services. We have an APP, Pharm ID, an active Pediatric ID fellowship and clinical and research support staff. Research start-up and gap funding, and infrastructure for clinical, basic science, or translational research can be accessed through the Child Health Research Institute. This is a unique opportunity with unlimited potential to advance a strong clinical and academic career in Pediatric Infectious Disease. Candidates will be expected to be Board-eligible or Board-certified in Pediatrics and in Pediatric Infectious Diseases and eligible for licensure in the state of Nebraska.

Children’s Nebraska is a 225-bed nonprofit organization caring for children since 1948. Founded by the community and for the community, Children’s is the only full-service, pediatric specialty health center in Nebraska, providing expertise in more than 50 pediatric specialty services to children across a five-state region and beyond. As the region’s pediatric healthcare leader, we’re dedicated to exceptional care, advocacy, research and education. Our state-of-the-art Hubbard Center for Children is home to Nebraska’s only Level IV regional Newborn Intensive Care Unit, Fetal Care Center, the state’s only Level II Pediatric Trauma Center, a first-in-the-region Cardiac Care Unit, and more.

With a population of nearly one million, Omaha offers a delightful mix of the amenities, diversity and culture experience of a large city with the traffic, cost of living and friendliness of a smaller midwestern community. The city has been thoughtful and proactive in expansion and rejuvenation projects that boast running and biking trails throughout the city, restaurants, live music as well as being a recurring host of national and Olympic level sporting events. Greater Omaha has an outstanding educational system of public and private schools and is home to numerous universities and colleges. All of this, combined with a diverse economy with multiple Fortune 500 companies, makes for an extraordinary quality of life.

We are committed to increasing diversity in our organizations to reflect the population that we serve and encourage applications from all candidates who will contribute to the diversity and excellence of the institution. Nominations, expressions of interest and applications (including cover letter and CV/resume) should be submitted to Christin Zbylut, Administrator, Physician & Faculty Recruitment at 402-955-8344 or czbylut@ChildrensNebraska.org.

Qualifications you are seeking: Candidates will be expected to be Board-eligible or Board-certified in Pediatrics and in Pediatric Infectious Diseases and eligible for licensure in the state of Nebraska.
