

Job Post – Pediatric Infectious Diseases Physician, Central California Faculty Medical Group

Company: Central California Faculty Medical Group

Salary range: \$210,000-\$265,000

Job Title: Pediatric Infectious Diseases Physician

Organization Type: For-Profit Corporation

Job posting expiration date: 2024-11-16

Brief description of the position: The UCSF Fresno Medical Education Program and Central California Faculty Medical Group (CCFMG) are currently recruiting for Pediatric Infectious Diseases faculty members at the Assistant, Associate, or Full Professor rank. UCSF Fresno is a regional UCSF campus, and the candidate will hold a faculty appointment with and be part of the UCSF Pediatrics Department in San Francisco. The responsibilities include teaching medical students and residents, leading pediatric Antibiotic Stewardship (AS) and Infection Control (IC) programs at a large Regional Medical Center, and providing specialty care to patients on both teaching and non-teaching services. Academic rank and salary will be consistent with the successful candidate's professional background.

The candidate must have completed a residency in Pediatrics, subspecialty training in Pediatric Infectious Diseases and have training or experience in Antibiotic Stewardship (AS) and/or Infection Control (IC). Must be board certified in Pediatrics and board certified/board eligible in Pediatric Infectious Diseases. The candidate must either hold a California Medical license or be eligible to obtain a California Medical license.

The program is based in Fresno, California, where residents enjoy a high standard of living combined with a low cost of living. The result is a quality of life uniquely Californian, yet surprisingly affordable. Limitless recreational opportunities and spectacular scenery is all accessible in a community with abundant affordable housing. While there is much to see and do in Fresno, the city is ideally located for fast, convenient getaways to the majestic Sierra (just 90 minutes away) as well as the scenic Central Coast, just two and one-half hours away. Fresno is the only major city in the country with close proximity to three national parks, including renowned Yosemite National Park.

For positions exclusively funded by the affiliate organization:

CCFMG provided a reasonable salary estimate for this position \$210,000-\$265,000

Please apply online at: <https://aprecruit.ucsf.edu/JPF05055> [aprecruit.ucsf.edu] with CV and statement of contributions to diversity. Applicant materials must list current and/or pending qualifications upon submission. The selected candidate must meet all of the qualifications at the time of appointment.

As a University employee, you will be required to comply with all applicable University policies and/or collective bargaining agreements, as may be amended from time to time. Federal, state, or local

government directives may impose additional requirements. UC San Francisco seeks candidates whose experience, teaching, research, or community service has prepared them to contribute to our commitment to diversity and excellence. The University of California is an Equal Opportunity/Affirmative Action Employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability, age or protected veteran status.

Qualifications you are seeking: Completion of a residency in Pediatrics, subspecialty training in Pediatric Infectious Diseases and have training or experience in Antibiotic Stewardship (AS) and/or Infection Control (IC). Must be board certified in Pediatrics and board certified/board eligible in Pediatric Infectious Diseases. The candidate must either hold a California Medical license or be eligible to obtain a California Medical license.
