Job Post – Pediatric Infectious Diseases Specialist, Boston Children’s Health Physicians

Company: Boston Children's Health Physicians
Salary range: $185,000 + productivity bonus
Job Title: Pediatric Infectious Diseases Specialist
Organization Type: For-Profit Corporation

Job posting expiration date: 2024-10-31

Brief description of the position: The Division of Pediatric Infectious Diseases at Boston Children’s Health Physicians (BCHP) in Westchester County, New York is seeking a Board Certified/Board Eligible Pediatric Infectious Diseases Specialist to join our 4-person practice as a full-time faculty member. Our Division provides inpatient and outpatient consultations to pediatric patients with a wide variety of infections from a large catchment area which includes the lower Hudson Valley, Southern Connecticut and Northern New Jersey. Our primary inpatient site is the Maria Fareri Children's Hospital (MFCH) at Westchester Medical Center where we are part of a comprehensive care team for the sickest children in our region. We have a strong collaboration with MFCH where our division also oversees pediatric antimicrobial stewardship and infection prevention and control. Our BCHP faculty are part of New York Medical College (NYMC) and receive faculty appointments at NYMC. The successful candidate will be committed to patient-centered healthcare of the highest quality, medical education and innovative research in an inclusive, welcoming and supported environment.

Qualifications you are seeking: Board Certified/Board Eligible Pediatric Infectious Diseases Specialist.

Active NYS Physician license and DEA

The successful candidate will be committed to patient-centered healthcare of the highest quality, medical education and innovative research in an inclusive, welcoming and supported environment
